

# Curriculum Vitae

<b>Name</b>		
Zhou, Kechao		
<b>Position title</b>		
Vice President, Central South University		
<b>Education</b>		
1982 B.S. (Physics) Department of Physics, Hunan Normal University, Changsha, Hunan, China		
1989 M.S. (Solid State Physics), Department of Applied Physics, University of Science & Technology Beijing, Beijing, China		
1998 Ph.D. (Materials Science) Powder Metallurgy Institute, Central South University, Changsha, Hunan, China		
<b>Professional experience</b>		
Apr. 2010-present	Member of Standing Committee of CPC Committee and Vice President of CSU	
Nov. 2005	Director, Science and Technology Department	
Oct. 2004-Sep. 2005	Senior visiting scholar, University of Birmingham in UK	
Dec. 2000	Director, Science and Technology Department, CSU	
Apr. 1994	Deputy Director, Science and Technology Department, Central South University of Technology	
Sep. 1999	Researcher, CSU	
Sep. 1996	Associate professor, CSU	
Oct. 1989	Lecturer, CSU	
<b>Professional memberships &amp; service</b>		
·Member, the Expert Steering Committee on National New Material Industry Development of China ·Vice Chairman, the Chinese Materials Research Society ·Executive Director, the Nonferrous Metals Society of China		
<b>Research, scholarly &amp; teaching interests</b>		
· Has long been engaged in the research of powder metallurgy and new materials, high throughput preparation techniques, high performance structural metal materials (titanium and copper alloys)
