

Curriculum Vitae

Name		
Takeda Hiroshi		
Position title		
President, Kobe University		
Education		
1972 Bachelor of Science, Department of Physics, Faculty of Science, the University of Tokyo, Tokyo, Japan		
1978 Doctorate of Science, Graduate School of Science, University of Tokyo, Tokyo, Japan		
Professional experience		
Apr2015–Present	President of Kobe University	
Apr2009–Mar2015	Executive Vice President of Kobe University	
Apr2007–Mar2009	Professor of Graduate School of Science, Kobe University	
Apr2007–Mar2009	Director of University Library, Kobe University	
Apr2003–March 2007	Dean of Faculty of Science/ Director of Bio signal Research Center (until March 2007), Kobe University	
Oct1998–Sep2000	Director of Information Science and Technology Center, Kobe University (until September 2000)	
Apr1989–Mar2007	Professor of Faculty of Science, Kobe University	
Apr1984–Mar1989	Research Associate of School of Science, University of Tokyo/ Assistant Professor of International Center for Elementary Particle Physics, related institution of School of Science, University of Tokyo	
Jan1978–Mar1984	Research Associate of Laboratory of International Collaboration on Elementary Particle Physics, related institution of School of Science, University of Tokyo	
Apr1977–Dec1977	Research Fellow, Japan Society for the Promotion of Science	
Professional memberships & service		
<ul style="list-style-type: none"> • Board member, the Japan Association of National Universities 		
Research, scholarly & teaching interests		
<ul style="list-style-type: none"> • Major in High energy physics (Experimental elementary particle physics) • European Physical Society Special Prize (Establishing the existence of the gluon: JADE Collaboration) (1995) • European Physical Society High Energy and Particle Physics Prize (Discovery of a Higgs boson: ATLAS Collaboration) (2013)
