## Club

### Tennis club “BOOM”

There are so many club in TCU.  
I belonged to the tennis team which  
called BOOM.

- Competitions twice a year
- Practice twice a week
- Have drinking parties and events

# Features of TCU

- Small scale Uni in Tokyo
- Easy to go to city area
- Located in a quiet area surrounded by residential and nature
- Strong in science
- There are many interesting teachers
- Generous support in case of trouble
- Many students are interested in foreign countries
- High percentage of boys

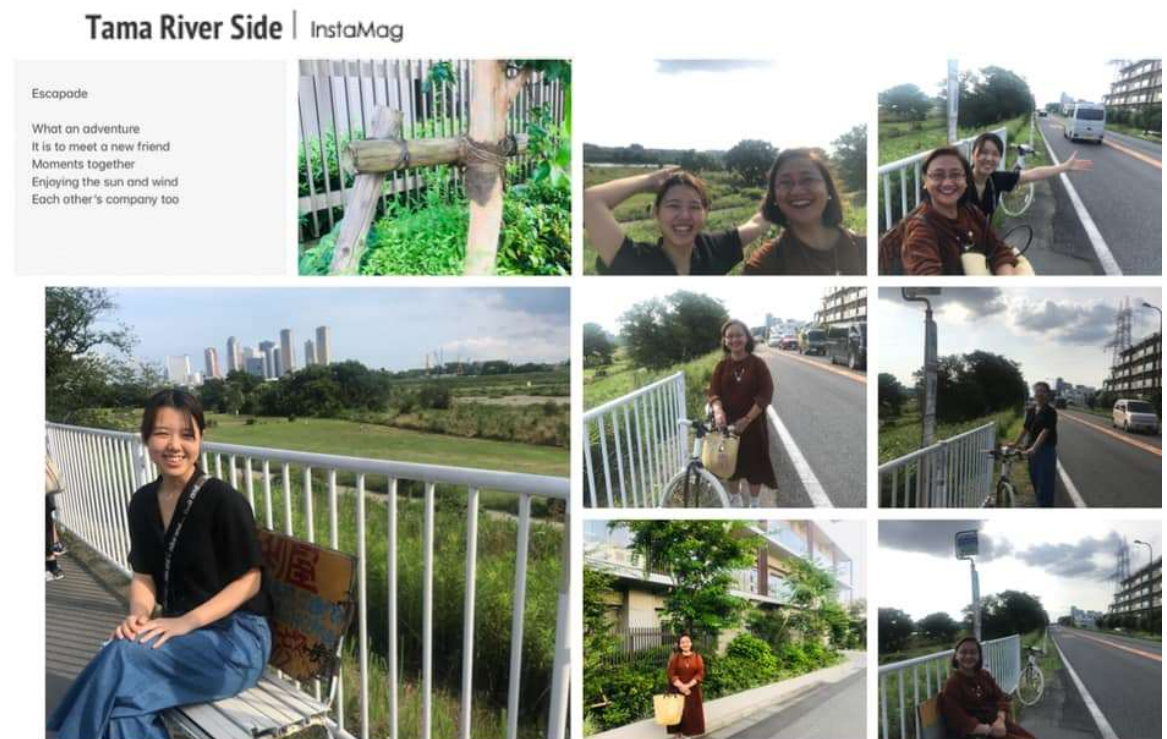

Image when I took a walk around the university with Dr. Maria

# Workshop

**There is an environment where you can freely work on what you want to do.**

**Also, there are many interesting people and an environment where you can help each other with your friends in TCU.**

**Japan have many very nice traditions and customs.**

**We look forward to learning together !**
